

Meldanda

Facilities for Hire

Meldanda is the name given to a property situated at the base of the Eastern Mount Lofty Ranges. The township of Cambrai is close by, and the River Marne when flowing courses its way through Meldanda.

The 100 acre property is overseen by the Cambrai Primary School Governing Council and currently being developed and maintained by Mid Murray Landcare SA, a not for profit community organisation.

Our collective ambition is to create a place of environmental learning where the preservation of native flora and fauna is actively encouraged.

Currently we can offer some facilities for hire and the use and enjoyment of various feature gardens and a selection of a few outdoor activities. Overnight camping accommodation is available.

Details of our facilities

Recreational Hut (20m x 6m), equipped with small kitchen, gas hot water, two gas ovens with a selection of crockery and a large fridge with some freezer space.

The building has tables and chairs and can accommodate up to 30 people comfortably. A projector screen and white board are on hand with a limited 240 volt power source that provides lights and the ability to use electronic equipment e.g. projectors and laptops.

Outside we have a large gas plate BBQ, a fire pit with log seating and 2 outside tables and 2 toilets. Open ground provides an opportunity to pitch a tent, there is room for camper trailers or caravans.

Hireage Costs

\$100 RATE FOR DAYTIME USAGE – THIS INCLUDES USE OF ALL OUR FACILITIES ON HAND and includes the recreation hut, BBQ, toilets, camp fire and activities like; volley ball court, 9 basket Frisbee golf course, giant chess board, croquet set, binoculars, bird hyde and bird books, first aid kit, walking trails, Bush Stone-curlew shelter. Please note there is only hot water available in the kitchen.

Camp fees are \$5 per night per adult and \$2 per night per child. Group bookings welcome. Other hireage packages available upon negotiation. Please BYO firewood or it can be purchased by prior arrangement.

We ask all visitors to clean up after themselves, to be actively conserving the solar powered energy and on tap water. We encourage visitors to leave minimal rubbish on site, and to comply with our recycling systems. We provide plates and cups to avoid unnecessary disposable items.

Mid Murray Landcare SA often hosts environmental workshops which visitors can take advantage of. The township has an outdoor swimming pool, in summer months, a community library, general store, hotel, town hall, playground, café and a museum which can be opened by arrangement. The Murray Plains Cycle Trek also passes through Cambrai. Guided tours can also be organised for a small fee (minimum booking of 5 people)
